2024 NOTICE OF ANNUAL MEETING AND PROXY STATEMENT

April 1, 2024

Dear Aveanna Stockholders,

In 2023, we embraced our strategy of transformation which led to a series of successes for our business. We finally saw some of the COVID headwinds abate, and we benefitted from some positive movement in the rate environment, resulting from our emphasis on various government and payor relations initiatives. Significantly, we progressed in our efforts to grow our preferred payor partnerships and value-based payment models.

Overall, our emphasis on transformation, value, and support for our government and payor relationships helped us reach our key financial goals in 2023. We exceeded our earnings and revenue projections for the year; we improved our balance sheet, and in Q4, we achieved Adjusted EBITDA growth of 30.4% when compared to the prior year period. We remain optimistic going forward, and I am pleased to report that we delivered \$1,895 million in revenue and \$139.2 million of Adjusted EBITDA¹ for fiscal year 2023.

In our Private Duty Services (PDS) division, we were able to recruit nurses to our team, but the continued shortage of nurses affected our ability to grow. We were able to successfully offset some of these lingering labor market challenges by improving reimbursement across our geographic footprint. In 2023, no less than 19 states increased reimbursement rates in Private Duty Services. We are grateful to every legislature and governor who helped make this possible. Increasingly, we see more states recognizing the value of the services we provide in the home, which reduce the cost of hospitalizations and institutional care. With that said, we still believe we have progress to make with reimbursement rates, as they trail the amounts necessary to hire more nurses. We operate in certain states that have not increased rates to remain competitive with current nursing wages and the impact of inflation. We are hopeful that we see progress on this front in 2024. The fact remains that every hour of care we provide delivers savings to patients, and we do not lack demand for our services. Instead, we must be able to pay our caregivers competitively so that we can provide the care our families so desperately need and deserve.

In 2023, we also saw several states move to employ new payor models that are beneficial to both us and the families we serve. Massachusetts, Florida, and New Jersey all approved legislation for family caregiver programs, joining Colorado and Arizona. These family caregiver models benefit Aveanna by helping us deliver more hours of care to patients who would otherwise struggle due to the ongoing nursing shortage.

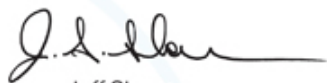

Finally, we believe we fulfilled our promise to bring value to those who support our care through preferred payor partnerships. Although this opportunity is not equal in all states, we were able to provide nearly 20 percent of our care via a preferred payor agreement. The preferred payor rates are more in line with what we need to hire nurses, deliver care, and save money by delivering care to our medically fragile patients at home.

During 2023, our Home Health and Hospice (HHH) division improved substantially after a year of integration. Homecare Homebase was established as our EMR, which helped facilitate our work to improve profitability, deliver leading clinical outcomes, and focus on episodic growth and our hospice census. Our care delivery model in HHH continues to deliver value to our payor partners, and we are starting to see this business return to a profile of growth. I believe we will continue to witness progress in 2024.

Our Medical Solutions business excelled in a year that continued to be affected by formula shortages and recalls. Some enteral providers continued to exit this business in 2023, and this helped us grow through the year. Importantly, we completed an acquisition in Georgia, fueling our growth in a key state for us. Overall, we believe growth will continue in 2024 as the enteral formula manufacturers find their footing and return to a more normal distribution cycle. Medical Solutions continues to be an integral part of our Aveanna service offerings and growth story.

Looking ahead, we plan to continue to execute our strategy to transform our business in meaningful ways. We continue to look for opportunities to bring more to our patients, families, and other stakeholders. We are also expanding and building upon our value-based offerings in all three divisions. We are working towards finding the right opportunities to utilize our scale, clinical quality, and innovation to offer solutions in the home, the most cost-effective and patient preferred setting in healthcare.

Lastly, I want to thank our caregivers, employees, stockholders, and Board of Directors. Your hard work, care, compassion, and support makes us who we are. To our patients and families, we remain grateful for your trust in us to provide you with the critical care you need. We are optimistic about 2024, and we look forward to updating you on our results and progress throughout the year.

PROXY STATEMENT

Annual Meeting of Stockholders of the Company to be held on May 16, 2024

**SOME QUESTIONS YOU MAY HAVE REGARDING THIS PROXY STATEMENT AND
THE ANNUAL MEETING**

Q: What is this document?

A: This document is the Proxy Statement of Aveanna Healthcare Holdings Inc. that is being made available to its stockholders on the Internet, or sent to stockholders upon request, in connection with our Annual Meeting of stockholders to be held on Thursday, May 16, 2024 at 9:30 a.m. Eastern Time at the Renaissance Atlanta Waverly Hotel & Convention Center, 2450 Galleria Parkway, Atlanta, GA 30339.

A proxy card is also being furnished with this Proxy Statement if you requested printed copies of the proxy materials.

We refer to Aveanna Healthcare Holdings Inc. throughout this Proxy Statement as “we,” “us,” “our,” the “Company” or “Aveanna.”

Q: Why did I receive a one-page notice in the mail regarding the Internet availability of proxy materials instead of a full set of proxy materials?

A: Pursuant to rules adopted by the Securities and Exchange Commission (the “SEC”), the Company uses the Internet as the primary means of furnishing proxy materials to its stockholders. Accordingly, the Company is sending a Notice of Internet Availability of Proxy Materials (the “Notice”) to the Company’s stockholders. All stockholders of record at the close of business on March 18, 2024, the record date for the Meeting (the “Record Date”), will have the ability to access the proxy materials on the website referred to in the Notice or request a printed set of the complete proxy materials. Instructions on how to access the proxy materials over the Internet or to request a printed copy may be found in the Notice. The deadline for requesting a printed copy is May 6, 2024 at 5:00 p.m., Eastern Time. In addition, stockholders may request to receive proxy materials in printed form by mail or electronically by e-mail on an ongoing basis. The Company encourages its stockholders to take advantage of the availability of the proxy materials on the Internet to help reduce the environmental impact of its annual meetings and the cost to the Company associated with the physical printing and mailing of materials.

Q: Why am I receiving these materials?

A: You are receiving this document because you were one of our stockholders on the Record Date. We are soliciting your proxy (i.e., your authorization) to vote your shares of Aveanna common stock upon certain matters at the Meeting, as described in this Proxy Statement. We began mailing the Notice on or about April 1, 2024.

Q: What information is available on the Internet?

A: A copy of this Proxy Statement and our 2023 Annual Report to Stockholders is available for download free of charge at www.proxydocs.com/AVAH.

Our Company website address is www.aveanna.com. We use our website as a channel of distribution for important Company information. Important information, including press releases, investor presentations and financial information regarding our Company is routinely posted on and accessible on the Investors subpage of our website, which is accessible by clicking on the tab labeled “Investors” section on our website home page. Visitors to our website can also register to receive automatic e-mail and other notifications alerting them when new information is made available on the Investors subpage of our website.

In addition, we make available on the Investors subpage of our website (under the link “SEC Filings”) free of charge our annual reports on Form 10-K, quarterly reports on Form 10-Q, current reports on Form 8-K, ownership reports on Forms 3, 4 and 5 and any amendments to those reports as soon as practicable after we electronically file such reports with the SEC. Further, our Code of Business Conduct and Ethics, our Audit Committee Complaint Procedures and the charters for the Audit, Compensation, Nominating and Corporate Governance and Clinical Quality Committees of our Board of Directors are also available on the Investors subpage of our website (under the link “Governance”).

Information contained on, or accessible through, our website is not incorporated by reference into, and does not form a part of, this Proxy Statement.

Q: Who may vote at the Meeting?

A: We have fixed the close of business on March 18, 2024, as the Record Date for determining who is entitled to vote at the Meeting. As of that date, there were 192,378,711 shares of our common stock, par value \$0.01 per share (the “common stock”), outstanding and entitled to be voted at the Meeting. You may cast one vote for each share of common stock held by you on the Record Date on all matters properly presented at the Meeting.

Q: What proposals will be voted on at the Meeting?

A: There are three proposals to be considered and voted on at the Meeting:

- (1) To elect the three Class III director nominees identified in this Proxy Statement to the Board of Directors of the Company (the “Board of Directors” or the “Board”), each to serve a three-year term expiring at the later of the 2027 Annual Meeting of the Company’s stockholders (the “2027 Annual Meeting”) or until his or her successor being elected and qualified;
- (2) To ratify the appointment of Ernst & Young LLP as the Company’s independent registered public accountants for the fiscal year ending December 28, 2024; and
- (3) To approve, on an advisory, non-binding, basis, the compensation paid to our Named Executive Officers identified in this Proxy Statement (“say on pay” vote).

We will also consider other business that properly comes before the Meeting in accordance with Delaware law and our Second Amended and Restated Bylaws (our “Amended Bylaws”).

Q: What are my choices when voting on the election of the three director nominees identified in this Proxy Statement, and what vote is needed to elect directors to the Board of Directors?

A: With respect to the vote on the election of the three director nominees identified in this Proxy Statement to serve as Class III directors until the 2027 Annual Meeting or upon his successor being elected and qualified, stockholders may:

- vote in favor of all director nominees;
- vote in favor of specific director nominees (and withhold votes from the other director nominees); or
- vote to withhold authority to vote for all director nominees.

Directors are elected by a plurality of the votes cast at the Meeting. As a result, the three directors receiving the highest number of “**FOR**” votes will be elected as directors.

Q: What are my choices when voting on the ratification of the appointment of Ernst & Young LLP as the Company’s independent registered public accountants for the fiscal year ending December 28, 2024, and what vote is needed to ratify their appointment?

A: With respect to the vote on the proposal to ratify the appointment of Ernst & Young LLP as the Company’s independent registered public accountants for the fiscal year ending December 28, 2024, stockholders may:

- vote in favor of the ratification,
- vote against the ratification; or
- abstain from voting on the ratification.

The affirmative vote of a majority of the voting power of the shares represented at the Meeting and entitled to vote on the subject matter is required to approve the proposal to ratify the appointment of Ernst & Young LLP as our independent registered public accountants for the fiscal year ending December 28, 2024.

Q: What are my choices when voting on the advisory, non-binding, proposal regarding the compensation paid to the Company’s Named Executive Officers (“say-on-pay”), and what vote is needed to approve the advisory say-on-pay proposal?

A: With respect to the advisory, non-binding, proposal on the compensation paid to our Named Executive Officers identified in this Proxy Statement, stockholders may:

- vote in favor of the advisory say-on-pay proposal;
- vote against the advisory say-on-pay proposal; or
- abstain from voting on the advisory say-on-pay proposal.

The affirmative vote of a majority of the shares represented at the Meeting and entitled to vote is required to approve, on an advisory, non-binding, basis, the say on pay vote. As an advisory vote, this proposal is not binding upon us. However, the Compensation Committee of our Board of Directors, which is responsible for designing and administering our executive compensation program, values the opinions expressed by our stockholders and will consider the outcome of the vote when making future compensation decisions.

Q: How does the Company’s Board of Directors recommend that I vote?

A: Our Board of Directors unanimously recommends that you vote:

- “**FOR**” each of the three nominees to our Board of Directors identified in this Proxy Statement;
- “**FOR**” the ratification of the appointment of Ernst & Young LLP as our independent registered public accountants for the fiscal year ending December 28, 2024; and
- “**FOR**” the advisory, non-binding, proposal regarding the “say on pay” vote.

Q: What constitutes a quorum?

A: The presence at the Meeting in person or by proxy, of the holders of a majority of the voting power of all outstanding shares of our common stock as of the Record Date will constitute a quorum, permitting the conduct of business at the Meeting.

If less than a majority of the outstanding shares of common stock is represented at the Meeting, the chairman of the Meeting or stockholders holding a majority in voting power of the shares of stock of the Company present in person or by proxy and entitled to vote thereat may adjourn the Meeting to another date, time or place. Notice need not be given of the new date, time or place if announced at the Meeting before an adjournment is taken, unless the Board of Directors, after adjournment, fixes a new record date for the Meeting (in which case a notice of the adjourned meeting will be given to stockholders of record on such new record date, each of whom would be entitled to vote at the adjourned meeting).

Q: What are “broker votes” and “broker non-votes?”

A: On certain “routine” matters, brokerage firms have discretionary authority under applicable stock exchange rules to vote their customers’ shares in the brokerage firms’ discretion if their customers do not provide voting instructions. When a brokerage firm votes its customers’ shares on a routine matter without receiving voting instructions (referred to as a “broker vote”), these shares are counted both for establishing a quorum to conduct business at the Meeting and in determining the number of shares voted “FOR” or “AGAINST” the routine matter. For purposes of the Meeting, the proposal to ratify the appointment of Ernst & Young LLP as our independent registered public accountants for the fiscal year ending December 28, 2024 is a “routine” matter.

Under applicable stock exchange rules, all other proposals contained in this Proxy Statement are “non-routine” matters for which brokerage firms do not have discretionary authority to vote their customers’ shares if their customers did not provide voting instructions. **Therefore, for purposes of the Meeting, if you hold your stock through a brokerage account and you do not provide your broker with voting instructions, then your brokerage firm may not vote your shares on your behalf on (i) the election of directors or (ii) the advisory, non-binding, “say on pay” vote.**

Generally, a “broker non-vote” occurs when a broker, bank, or other nominee does not vote the shares because it (i) has not received voting instructions from the beneficial owner and (ii) lacks discretionary voting power to vote those shares with respect to a particular proposal. Broker non-votes are counted for purposes of determining the existence of a quorum at the Meeting, but they will have no effect on the outcome of any proposal.

We encourage you to provide instructions to your brokerage firm, bank or other nominee by voting your proxy. This action ensures your shares will be voted at the Meeting on all matters up for consideration

Q: What if I abstain from voting?

A: You have the option to “ABSTAIN” from voting with respect to (i) the ratification of the appointment of Ernst & Young LLP as the Company’s independent registered public accountants for the fiscal year ending December 28, 2024 and (ii) the advisory, non-binding, “say on pay” vote. Abstentions with respect to these proposals are counted for purposes of establishing a quorum. If a quorum is present, abstentions will have the same effect as a vote against these proposals.

Q: How will my shares be voted if I return my proxy card or vote via telephone or Internet? What if I return my proxy card but do not provide voting instructions or complete the telephone or Internet voting procedures but do not specify how I want to vote my shares?

A: Our Board of Directors has named Rodney D. Windley and Jeff Shaner as official proxy holders. They will vote all proxies, or record an abstention or withholding, in accordance with the directions on the proxy.

All shares represented by properly executed proxies, unless previously revoked, will be voted at the Meeting as you direct.

IF YOU SIGN AND RETURN YOUR PROXY CARD BUT GIVE NO DIRECTION OR COMPLETE THE TELEPHONE OR INTERNET VOTING PROCEDURES WITHOUT GIVING VOTING DIRECTION, THE SHARES WILL BE VOTED **"FOR"** THE ELECTION OF THE PERSONS NAMED HEREIN AS DIRECTORS; **"FOR"** THE RATIFICATION OF THE APPOINTMENT OF ERNST & YOUNG LLP AS OUR INDEPENDENT REGISTERED PUBLIC ACCOUNTANTS FOR THE FISCAL YEAR ENDING DECEMBER 28, 2024 AND **"FOR"** THE ADVISORY, NON-BINDING, "SAY ON PAY" VOTE.

Q: How can I attend and participate in the Meeting?

A: If you were a stockholder of record on the Record Date, then you may attend the Meeting by visiting the Renaissance Atlanta Waverly Hotel & Convention Center 2450 Galleria Parkway, GA 30339. To participate in the Meeting, you will need your proxy notice, proxy card, or voting instruction form. The Meeting will begin promptly at 9:30 a.m. Eastern Time on May 16, 2024. Upon arrival at the Meeting, you will be required to register and present government-issued photo identification, such as your driver's license, state identification card or passport. If your shares are registered in the name of a bank, brokerage firm or other nominee and you plan to attend the Meeting, bring your statement of account showing evidence of ownership as of the Record Date. We will hold our question and answer session with management immediately following the conclusion of the business to be conducted at the Meeting.

The Chairman of the Meeting has broad authority to conduct the Meeting in an orderly manner, including establishing rules of conduct.

Q: How do I vote? Is there cumulative voting? Are there any dissenters' rights?

A: If your shares are registered directly in your name with our transfer agent, Equiniti Trust Company, LLC, then you are considered a stockholder of record with respect to those shares. If you are a record holder, the Notice is being sent to you directly by Mediant Communications, Inc. Please carefully consider the information contained in this Proxy Statement. Whether or not you plan to attend the Meeting, please vote by (i) accessing the Internet website specified on the Notice, (ii) calling the toll-free number specified on your proxy card, if you requested printed copies of the proxy materials or (iii) marking, signing and returning your proxy card promptly, if you requested printed copies of the proxy materials, so that we can be assured of having a quorum present at the Meeting and so that your shares may be voted in accordance with your wishes, even if you later decide to attend the Meeting. If you are a stockholder of record, the method you use to vote will not limit your right to vote at the Meeting if you decide to attend in person. Written ballots will be passed out to any stockholder of record who wants to vote in person at the Meeting. If you have already voted previously by telephone or Internet, there is no need to vote again at the Meeting unless you wish to revoke and change your vote. Please follow the directions on your proxy card carefully. To gain admittance to the Meeting to vote in person, you must bring valid photo identification and we will verify your name against our stockholder list.

If, like most of our stockholders, you hold your shares in street name through a broker, bank or other nominee rather than directly in your own name, then you are considered the beneficial owner of those shares, and the Notice is being forwarded to you by your broker, bank or other nominee, together with voting instructions. To vote in person at the Meeting, beneficial owners will need to contact the broker, bank or other nominee that holds their shares to obtain a “legal proxy” to bring to the Meeting, and, in addition to such “legal proxy,” beneficial owners attending the Meeting in person must bring their statements of account showing evidence of ownership of our common stock as of the Record Date, as well as valid photo identification.

The Notice provides instructions on how to vote via the Internet or by telephone.

If you hold shares in the name of a broker, bank or other nominee you may be able to vote those shares by Internet or telephone depending on the voting procedures used by your broker, bank or other nominee, as explained below under the question “How do I vote if my shares are held in “street name” by a broker, bank or other nominee?”

No cumulative voting rights are authorized, and dissenters’ rights and rights of appraisal are not applicable to the matters being voted upon at the Meeting.

Q: How do I vote if my shares are held in “street name” by a broker, bank or other nominee?

A: If your shares are held by a broker, bank or other nominee (this is called “street name”), then your broker, bank or other nominee will send you instructions for voting those shares.

Q: May I revoke my proxy after I have delivered my proxy?

You may change your vote or revoke your proxy at any time before the vote at the Meeting. If you are a stockholder of record, you may change your vote prior to the Meeting by executing a valid proxy card bearing a later date and delivering it to us prior to the Meeting at Aveanna Healthcare Holdings Inc., Attention: Secretary, 400 Interstate North Parkway SE, Atlanta, GA 30339. Only your latest dated proxy we receive at or prior to the Meeting will be counted. You may also revoke your proxy and change your vote at any time before the final vote at the Meeting by voting again via the Internet or by telephone. Attendance in person at the Meeting will not by itself revoke a previously granted proxy. If your shares are held in “street name” by a broker, bank or other nominee, you must follow your broker, bank or other nominee’s procedures for revoking or changing your vote, or obtain a proxy to vote your shares if you wish to cast your vote in person at the Meeting.

Q: Who is soliciting my vote?

A: Our Board of Directors is soliciting your vote for the proposals described in this Proxy Statement, which will be submitted for stockholder approval at the Meeting.

Q: Who will bear the cost for soliciting votes for the Meeting?

A: The Company is making this solicitation and will bear the cost of this proxy solicitation. In addition to the use of mail, our directors, officers and non-officer employees may solicit proxies in person, by telephone or by other means. These persons will not be compensated for the solicitation but may be reimbursed for out-of-pocket expenses. We believe that each of these directors possesses the experience, skills, and qualities to fully perform his or her duties as a director and contribute to our success. Our directors have been nominated because they possess the highest standards of personal integrity, interpersonal and communication skills, are highly accomplished in their fields, understand the interests and issues that are important to our stockholders, and are able to dedicate sufficient time to fulfilling their obligations as directors. Our directors as a group complement each other with their respective experiences, skills, and qualities. While our directors make up a diverse group in terms of age, gender and professional experience, together they comprise a cohesive body in terms of Board process and collaboration.

Board of Directors Recommendation

THE BOARD RECOMMENDS THAT YOU VOTE **“FOR”** THE ELECTION OF THE PERSONS NAMED ABOVE.

Vote Required

Directors are elected by a plurality of the votes cast at the Meeting.

CORPORATE GOVERNANCE

Composition of our Board of Directors

Our business and affairs are managed under the direction of our Board of Directors. Our Board of Directors is composed of ten directors. Certain aspects of the composition and functioning of our Board of Directors are subject to the rights of our principal stockholders under our A&R Stockholders Agreement, as defined below in “Certain Relationships and Related Party Transactions—Stockholders Agreement.”

When considering whether directors have the experience, qualifications, attributes or skills, taken as a whole, to enable our Board of Directors to effectively satisfy its oversight responsibilities in light of our business and structure, the Board of Directors focuses primarily on each person’s background and experience as reflected in the information discussed in the directors’ respective biographies set forth above. We believe that our directors provide an appropriate mix of experience and skills relevant to the size and nature of our business.

In accordance with our Charter, our Board of Directors is divided into three classes, as nearly equal in number as possible, with the directors in each class serving for a staggered three-year term and one class being

elected at each annual meeting of stockholders. As a result, approximately one-third of our Board of Directors will be elected each year. Our current directors are divided among the three classes as follows:

- The Class I directors are Victor F. Ganzi, Devin O'Reilly and Robert M. Williams, Jr., and their terms will expire at the annual meeting of stockholders to be held in 2025;
- The Class II directors are Christopher R. Gordon, Steven E. Rodgers and Rodney D. Windley, and their terms will expire at the annual meeting of stockholders to be held in 2026; and
- The Class III directors are Dr. Sheldon M. Retchin, Jeff Shaner, Dr. Erica G. Schwartz and Richard C. Zoretic, whose terms will expire at the Meeting. Drs. Retchin and Schwartz and Mr. Shaner have been nominated to stand for election at the Meeting to serve as Class III directors until the 2027 Annual Meeting or until their respective successors are elected and qualified. Mr. Zoretic's term as a Class III director ends at the Meeting.

Any increase or decrease in the number of directors will be distributed among the three classes so that, as nearly as possible, each class will consist of one-third of the directors. This classification of our Board of Directors may have the effect of delaying or preventing changes in control of the Company.

Chairman of the Board of Directors and Board Leadership Structure

The Board believes that it is appropriate to separate the roles of Chairman and Chief Executive Officer. Mr. Windley serves as our Chairman, and Mr. Shaner serves as our Chief Executive Officer.

Mr. Windley, in his role as Chairman, presides over meetings of the Board and brings his strong operational experience, extensive knowledge of our industry, and innovative leadership skills to support management's execution of our strategy and focus our directors' attention on the most critical matters affecting our business.

Mr. Shaner, in his capacity as Chief Executive Officer, is responsible for acting as a liaison between the Board and our management team, including oversight of management's implementation of the Board's strategies, directives and execution of our acquisition activity. Moreover, Mr. Shaner, as Chief Executive Officer, is responsible for providing daily leadership and oversight of our performance.

Director Independence

Our Board of Directors has affirmatively determined that each of Victor F. Ganzi, Christopher R. Gordon, Devin O'Reilly, Dr. Sheldon M. Retchin, Steven E. Rodgers, Robert M. Williams, Jr., Dr. Erica Schwartz and Richard C. Zoretic is an "independent director," as defined under the rules of Nasdaq. In making these determinations, our Board of Directors considered the current and prior relationships that each director has with our Company and all other facts and circumstances our Board of Directors deemed relevant in determining their independence, including the beneficial ownership of our capital stock by each director, and the transactions involving them described in the section titled "Certain Relationships and Related Party Transactions."

Controlled Company Exception

Bain Capital L.P., one of the world's leading private, multi-asset alternative investment firms and J.H. Whitney Capital Partners (together with Bain Capital, the "Sponsors"), a leader in the private equity industry, and their respective affiliates (the "Sponsor Affiliates") beneficially own more than 50% of the combined voting power of our common stock. As a result, the Sponsor Affiliates are entitled to nominate at least a majority of the total number of directors comprising our Board of Directors, and we are a "controlled company" within the meaning of the corporate governance standards of Nasdaq.

Under the Nasdaq corporate governance standards, a company of which more than 50% of the voting power is held by an individual, group or another company is a “controlled company” and may elect not to comply with certain corporate governance standards, including (i) the requirement that we have a compensation committee that is composed entirely of directors that satisfy certain heightened standards of independence and (ii) the requirement that our director nominations be made, or recommended to our full Board of Directors, by our independent directors or by a nominations committee that consists entirely of independent directors. We currently utilize these exemptions.

Stockholder Engagement

Our investor relations program includes regular communication and active engagement with our stockholders throughout the year. We encourage feedback from our stockholders as it relates to our corporate governance, compensation policies and practices for our executives, regulatory developments, industry trends and company strategy. Since our IPO in April 2021, we have leveraged both in-person and virtual settings to seamlessly connect with investors and analysts on a regular basis to discuss important strategic topics including:

- financial performance;
- clinical quality;
- organic and inorganic growth strategies;
- diverse and growing reimbursement structure;
- labor trends; and
- leverage and liquidity.

Risk Oversight

The Board’s Role in Risk Oversight

Our Board of Directors is responsible for overseeing our risk management process. Our Board of Directors focuses on our general risk management strategy, the most significant risks facing us, and oversees the implementation of risk mitigation strategies by management. Our Board of Directors is also apprised of particular risk management matters in connection with its general oversight and approval of corporate matters and significant transactions.

In addition, the Company’s Chief Legal Officer reports in person to the Audit Committee on at least a quarterly basis to keep the directors informed concerning legal risks and other legal matters involving the Company and the Company’s legal risk mitigation efforts. Moreover, the Company’s Chief Compliance Officer reports to the Clinical Quality Committee on at least a quarterly basis on compliance and regulatory risks involving the Company and the Company’s efforts to mitigate those risks.

Additionally, at each Board meeting, our Chief Executive Officer and management team meet with the other directors to address operational and strategic matters, including areas of risk and opportunity that require Board attention.

Our cybersecurity risk management is currently independent of enterprise risk management, and our cybersecurity program and related policies are managed by a dedicated Assistant Vice President (“AVP”) of Cybersecurity who reports to our Chief Information Officer (“CIO”), under ultimate oversight by the Audit Committee. The AVP of Cybersecurity leads periodic meetings of our chartered Cybersecurity Steering

Committee, which cover key cyber threats, policy changes, and project updates. The Cybersecurity Steering Committee includes the CIO, other executive-level leaders, and key members of management. At least quarterly, the Audit Committee receives a report of any cybersecurity incidents and other key monitoring metrics from a representative of the Cybersecurity Steering Committee. The Audit Committee will then communicate cyber-related issues with the Board as needed. Our Board is currently reviewing our existing cybersecurity program and related policies, including, among other things, the Board's role within our cybersecurity risk management infrastructure. For additional detail on our cybersecurity risk management, governance and strategy, see Item 1.C. of Part I of our Annual Report on Form 10-K filed with the SEC on March 14, 2024.

The oversight of risk within the organization is an evolving process requiring the Company to continually look for opportunities to further embed systematic enterprise risk management into ongoing business processes across the organization. The Board of Directors actively encourages management to continue to review and improve its methods of assessing and mitigating risk.

Our employee engagement survey data, together with other key indicators that we monitor, demonstrate that we enjoy good relationships with our employees. Our human capital resources objectives center around employee engagement, fostering our culture, and leadership development. We maintain and grow our team utilizing proven practices and technologies that help us identify, hire, incentivize and retain our existing employees. We also employ an equity incentive plan to attract, retain, motivate and reward certain employees and directors through the issuance of equity-based incentive compensation awards, and we provide for employee participation in our employee stock purchase plan on a discounted basis, as well as providing cash-based performance bonuses.

Talent Acquisition, Retention and Development

Our strategy is to lead the market by attracting and hiring caregivers with a candidate-focused and technology-driven recruiting experience. We have customized our nationwide recruiting model to localized workforces, and we seek to attract the best clinicians with our powerful mission, unique opportunities to provide one-on-one care in the home with flexible schedules, as well as 24/7 clinical support and electronic charting. We leverage extensive recruiting and employee data to identify, attract, and engage a skilled and diverse talent pool, as well as to assist us to manage, develop and retain our valuable workforce.

Diversity and Inclusion

Our Diversity, Equity & Inclusion (“DEI”) Vision

Aveanna is a company where all employees of various cultures, walks of life and abilities are valued and each has an equal opportunity for growth and success, thereby increasing organizational capacity to achieve our mission to revolutionize the way homecare is delivered - one patient at a time - while preserving and cultivating our culture of corporate and social responsibility.

Board of Directors

Our Board of Directors is committed to increasing the number of women on the Board as board turnover occurs from time to time. Accordingly, consideration of the number of women who are directors, along with consideration of whether other diverse attributes are sufficiently represented on the Board of Directors, is an important component of the selection process for new members of the Board of Directors. For all potential Board members, we consider educational background, diversity of professional experience, knowledge of our business, integrity, professional reputation, independence, wisdom, the ability to represent the best interests of our stockholders. In addition, the Nominating and Corporate Governance Committee, in accordance with its policies and procedures for director candidates, considers whether a proposed director candidate would help achieve a Board composition that represents a diversity of background and experience, inclusive of race, ethnicity, age, gender identity, gender expression and sexual orientation.

We expect to achieve additional gender diversity on the Board over time through Board vacancies, expansion or otherwise. The following matrix provides additional information about our board diversity as of December 30, 2023.

Executive Officer Positions

In appointing individuals to executive officer positions, we weigh a number of factors, including educational background, diversity of professional experience, knowledge of our business, integrity, professional reputation, independence, wisdom, the ability to represent the best interests of our stockholders along with the level of diverse representation within our senior management team. We are committed to increasing the diversity of our executive officers going forward.

The Board of Directors believes the most effective way to achieve greater diversity in our senior management team is to identify high-potential candidates within the organization and work with them to ensure they develop the skills, acquire the experience and have the opportunities necessary to eventually occupy executive officer positions. This includes taking action to build a culture of inclusion throughout the organization. The Board of Directors will evaluate the appropriateness of adopting diversity targets in the future as well.

Board Committees

The committees of our Board of Directors are the Audit Committee, the Compensation Committee, the Nominating and Corporate Governance Committee and the Clinical Quality Committee. Each committee operates under a charter approved by our Board of Directors. Members serve on these committees until their respective resignations or until otherwise determined by our Board of Directors. Copies of each committee's charter is available on our website, located at www.aveanna.com. Information contained on or accessible through our website does not form a part of this Proxy Statement and is not incorporated by reference herein.

Audit Committee

Our Audit Committee is responsible for, among other things:

- appointing, compensating, retaining, evaluating, terminating and overseeing our independent registered public accounting firm;
- discussing with our independent registered public accounting firm their independence from management;
- reviewing, with our independent registered public accounting firm, the scope and results of their audit;
- approving all audit and permissible non-audit services to be performed by our independent registered public accounting firm;
- overseeing the financial reporting process and discussing with management and our independent registered public accounting firm the quarterly and annual financial statements that we file with the SEC;

The Audit Committee is composed of Victor F. Ganzi, Dr. Sheldon M. Retchin, Steven E. Rodgers and Richard C. Zoretic, with Mr. Ganzi serving as chair. Mr. Ganzi qualifies as an “audit committee financial expert” as such term has been defined in Item 407(d)(5) of Regulation S-K. Our Board of Directors has affirmatively determined that Messrs. Ganzi, Retchin, Rodgers and Zoretic are each “independent” for purposes of serving on the Audit Committee under the Nasdaq rules and the independence standards under Rule 10A-3 of the Securities Exchange Act of 1934, as amended.

Nominating and Corporate Governance Committee

Our Nominating and Corporate Governance Committee is responsible for, among other things:

- identifying individuals qualified to become members of our Board of Directors, consistent with criteria approved by our Board of Directors;

- developing and recommending to our Board of Directors a set of corporate governance guidelines.

The Nominating and Corporate Governance Committee is composed of Devin O’Reilly, Jeff Shaner, Robert M. Williams, Jr. and Rodney D. Windley, with Mr. Windley serving as chair. As described above, we avail ourselves of the “controlled company” exemption under the Nasdaq rules, which exempts us from the requirement that we have a Nominating and Corporate Governance Committee composed entirely of independent directors. Messrs. Windley and Shaner do not qualify as “independent directors” under the Nasdaq rules.

Compensation Committee

Our Compensation Committee is responsible for, among other things:

- reviewing and approving the corporate goals and objectives, evaluating the performance and reviewing and approving the compensation of our executive officers;

The Compensation Committee is composed of Christopher R. Gordon, Devin O’Reilly, Steven E. Rodgers and Robert M. Williams, Jr., with Mr. O’Reilly serving as chair. As described above, we avail ourselves of the “controlled company” exemption under the Nasdaq rules, which exempts us from the requirement that we have a compensation committee composed entirely of independent directors.

Clinical Quality Committee

Our Clinical Quality Committee oversees our non-financial compliance matters and is responsible for, among other things:

- identifying, reviewing and analyzing laws and regulations applicable to us;
- recommending to the Board of Directors, and monitoring the implementation of, compliance programs, policies and procedures that comply with local, state and federal laws, regulations and guidelines;
- reviewing significant compliance risk areas identified by management;
- discussing periodically with management the adequacy and effectiveness of policies and procedures to assess, monitor, and manage non-financial compliance business risk and compliance programs;

Board and Committee Meetings—2023

Our Board of Directors held five meetings in fiscal year 2023. Our Board's Audit, Compensation, Nominating and Corporate Governance, and Clinical Quality Committees generally meet on or around the date of each regularly scheduled quarterly Board meeting. During 2023, the Audit Committee held four meetings; the Compensation Committee held two meetings; the Nominating and Corporate Governance Committee held no meetings; and the Clinical Quality Committee held four meetings. Each director attended at least 75% of the total number of Board meetings and meetings of the committees on which he or she served during fiscal year 2023. Generally, during every month in which there is no regularly scheduled Board meeting, the Board of Directors members meet telephonically with selected members of Company management. All of our directors are encouraged to attend our annual meeting of stockholders and all Committee meetings. Two directors attended our 2023 annual meeting in person, and one director attended virtually.

Independent Directors—Meetings in Executive Session

The independent directors, as a group, meet in executive session on a regular basis in connection with each Board meeting without any members of our management present.

Director Nominations

The Nominating and Corporate Governance Committee solicits and receives recommendations for candidates to fill any Board vacancies, reviews the qualifications of potential director candidates and recommends candidates to the full Board for consideration. For so long as the A&R Stockholders Agreement (as defined under "Certain Relationships and Related Party Transactions – Stockholders Agreement" contained elsewhere in this Proxy Statement) remains in effect, the Nominating & Governance Committee is required to ensure that the composition of the Board complies with the procedures set forth in the A&R Stockholders

Agreement. The Nominating & Governance Committee has adopted policies and procedures for the evaluation of director candidates for the Board. Pursuant to these policies, the Nominating & Governance Committee considers, in addition to those candidates designated in accordance with the terms of the A&R Stockholders Agreement, candidates recommended by the Nominating & Governance Committee, by other Board members, by management and by stockholders (pursuant to the procedures described below). The Nominating & Governance Committee periodically reviews the performance and contributions of individual Board members in connection with the determination to propose a director as a candidate for re-election. If a Board member is a candidate for re-election, then the Nominating & Governance Committee considers all aspects of such candidate's qualifications and skills in the context of the Company's needs at that point in time, as well as such person's diversity of background and experience and the current composition of the Board and the needs of the Board and the respective committees of the Board. While not an exclusive list, the Nominating & Governance Committee considers the following important qualifications when evaluating a director candidate:

- High standards of personal and professional ethics and integrity;
- Proven achievement and competence in the nominee's field and the ability to exercise sound business judgment;
- Skills that are complementary to those of the existing Board;
- The ability to assist and support management and make significant contributions to the Company's success; and
- An understanding of the fiduciary responsibilities that is required of a member of the Board and the commitment of time and energy necessary to diligently carry out those responsibilities.

Pursuant to our Amended Bylaws, stockholders may recommend a nominee for consideration by the Board by delivering certain information specified in our Amended Bylaws with respect to the nominee and the proposing stockholder to our Secretary, at Aveanna Healthcare Holdings Inc., 400 Interstate North Parkway SE, Suite 1600, Atlanta, GA 30339. Our Secretary will forward such information to the Chair of the Nominating and Corporate Governance Committee.

Although we have not adopted a formal policy regarding the consideration of Board candidates recommended by our stockholders, the Board believes that the procedures set forth in our Amended Bylaws are currently sufficient and that the establishment of a formal policy is not necessary. For additional important information regarding stockholder nominations of directors and stockholder proposals, please see the "Other Matters" section of this Proxy Statement.

Stockholder Communications with and Regarding our Board of Directors

Stockholders who wish to communicate with our Board of Directors or our Audit Committee should address their communications to such party, in care of our Secretary, who is responsible for promptly disseminating such communications to our Board of Directors or Audit Committee Chair, as appropriate. Pursuant to our Corporate Governance Guidelines (described below), all communications with the Board of Directors or the Audit Committee are treated confidentially, and stockholders and other interested parties can remain anonymous when communicating their concerns. Stockholders who would like to submit the name of a person for consideration as a director nominee should address any communication to our Secretary in accordance with the procedures described under the heading "Other Matters — Submission of Shareholder Proposals and Director Nominations for 2025 Annual Meeting," below.

CODE OF ETHICAL BUSINESS CONDUCT

We have adopted a written code of business conduct and ethics that applies to our directors, officers and employees, including our principal executive officer, principal financial officer, principal accounting officer or

controller, or persons performing similar functions. A copy of the code is posted on our website, www.aveanna.com. **PROPOSAL 2—RATIFICATION OF APPOINTMENT OF
INDEPENDENT REGISTERED PUBLIC ACCOUNTANTS**

Background

The Audit Committee of the Board of Directors has appointed Ernst & Young LLP (“Ernst & Young”) as the Company’s independent registered public accounting firm for the fiscal year ending December 28, 2024. The submission of this matter for ratification by stockholders is not legally required; however, our Board of Directors believes that such submission is consistent with best practices in corporate governance and is an opportunity for stockholders to provide direct feedback to the Audit Committee and the Board of Directors on an important matter of corporate governance. If the selection is not ratified, the Audit Committee will consider whether it is appropriate to select another independent registered public accounting firm as our Company’s external auditor. Even if the selection is ratified, the Audit Committee in its discretion may select a different independent registered public accounting firm to be our Company’s external auditor at any time during the year if it determines that such a change would be in the best interests of our Company and our stockholders.

Board of Directors Recommendation

THE BOARD OF DIRECTORS RECOMMENDS THAT YOU VOTE **“FOR”** THE RATIFICATION OF THE APPOINTMENT OF ERNST & YOUNG AS OUR INDEPENDENT REGISTERED PUBLIC ACCOUNTANTS FOR THE FISCAL YEAR ENDING DECEMBER 28, 2024.

Vote Required

Approval of this proposal requires the affirmative vote of a majority of the voting power of the shares represented at the Meeting and entitled to vote on the subject matter.

Ernst & Young Representative—Attendance at the Meeting

A representative of Ernst & Young will be present at the Meeting, will have the opportunity to make a statement and will be available to respond to appropriate questions by stockholders.

REPORT OF THE AUDIT COMMITTEE

This Report of the Audit Committee does not constitute soliciting material, shall not be deemed filed under the Exchange Act, and shall not be deemed incorporated by reference by any general statement incorporating by reference this Proxy Statement into any filing under the Securities Act of 1933 or the Exchange Act, except to the extent that we incorporate this Report of the Audit Committee by specific reference.

The Audit Committee operates under a written charter approved by the Board, a copy of which is available on the Company’s website. The Audit Committee is responsible for oversight of Aveanna’s accounting and financial reporting and internal control processes, and compliance with legal and regulatory requirements. The Audit Committee is currently composed of four directors, all of whom are independent as determined in accordance with the listing standards of Nasdaq and within the meaning of Rule 10A-3 under the Exchange Act. Victor F. Ganzi, Chairman of the Audit Committee, qualifies as an “audit committee financial expert” as such term has been defined in Item 407(d)(5) of Regulation S-K.

In fulfilling its oversight responsibilities, on a quarterly and annual basis, the Audit Committee meets with Ernst & Young LLP (“EY”), our independent registered public accounting firm, both with and without management present, to review and discuss our quarterly and annual financial statements, related footnotes, and Management’s Discussion and Analysis of Financial Condition and Results of Operations; and to solicit EY’s

feedback and observations as to our overall quality of financial reporting. The Audit Committee has reviewed and discussed with management and EY our audited financial statements for the fiscal year ended December 30, 2023, including a discussion of the acceptability and quality of the accounting principles, the reasonableness of significant accounting judgments, clarity of disclosures in the financial statements, and critical audit matters.

The Audit Committee is responsible for the appointment, compensation and oversight of our independent registered public accounting firm. EY has served as our independent registered public accounting firm since 2017. The Chairman of the Audit Committee was involved in the selection of the lead audit partner, who completed his third year as the lead audit partner for the fiscal year 2023 audit.

During the planning phase of the 2023 audit, the Audit Committee discussed with EY the overall scope and planning of the annual audit, including EY's overall fees. The members of the Audit Committee, or the Chair of the Audit Committee, pursuant to a delegation of authority, reviewed and pre-approved all permissible services by EY.

EY provided to the Audit Committee the written disclosures and the letter required by the Public Company Accounting Oversight Board's (the "PCAOB") regarding EY's independence, and the members of the Audit Committee discussed with EY the firm's independence from us and our management. The members of the Audit Committee also considered whether EY's provision to us of any non-audit services is compatible with maintaining EY's independence. This discussion and disclosure informed the Audit Committee of EY's independence and assisted the Audit Committee in evaluating that independence. The members of the Audit Committee concluded that EY is independent from us and our management.

The Audit Committee also received from and discussed with EY the matters required to be discussed under the applicable requirements of the PCAOB, the SEC and the Audit Committee's charter.

Based on the review and discussions set forth above, and any additional matters deemed relevant and appropriate by the Audit Committee, the Audit Committee recommended to the Board the inclusion of our audited financial statements in our Annual Report on Form 10-K for the fiscal year ended December 30, 2023.

This report has been approved by the members of the Audit Committee:

Victor F. Ganzi (Chair)
 Dr. Sheldon M. Retchin
 Steven E. Rodgers
 Richard Zoretic

Audit-related fees are fees for services performed during the respective years by the independent registered public account firm for assurance and related services not reported under the caption “Audit fees” in the tables above. Tax fees included tax compliance and limited tax consulting services. All of the services described above were pre-approved by the Audit Committee (or the Chair of the Audit Committee, pursuant to a delegation of authority).

Policy on Pre-Approval of Audit and Permissible Non-Audit Services of Independent Auditors; Delegation of Pre-Approval Authority in Specified Instances

All audit and permissible non-audit services provided by the independent auditors are pre-approved by the Audit Committee (or the Chair of the Audit Committee, pursuant to a delegation of authority). These services may include audit services, audit-related services, tax services and other services. Pre-approval is generally provided for up to one year and any pre-approval is detailed as to the particular service or category of services and is generally subject to a specific budget. The independent auditors and management are required to periodically report to the Audit Committee regarding the extent of services provided by the independent auditors in accordance with this pre-approval, and the fees for the services performed to date. The Audit Committee may also pre-approve particular services on a case-by-case basis.

PROPOSAL 3—ADVISORY, NON-BINDING, VOTE ON THE COMPENSATION PAID TO THE COMPANY’S NAMED EXECUTIVE OFFICERS (“SAY ON PAY” VOTE)

General Information

The Dodd-Frank Wall Street Reform and Consumer Protection Act of 2010 and Section 14A of the Exchange Act enable our stockholders to vote to approve, on an advisory, non-binding, basis, the compensation paid to our “Named Executive Officers” as disclosed in this Proxy Statement in accordance with the SEC’s rules.

Say on Pay Vote Mechanics

We are asking our stockholders to provide advisory approval of the compensation paid to our “Named Executive Officers,” as described in the “Compensation Discussion and Analysis” (“CD&A”) section of this Proxy Statement and the compensation tables and narrative disclosures following the CD&A.

This advisory vote is not intended to address any specific item of compensation, but rather the overall compensation of our Named Executive Officers and our compensation philosophy, policies and practices, as described in this Proxy Statement.

Our Board has determined that we will annually hold an advisory, non-binding, stockholder vote on the compensation of our NEOs until the next required vote on the frequency of future executive compensation votes, which is required to occur no later than the annual meeting of stockholders to be held in 2028.

Highlights of our Executive Compensation Program

We believe that it is important to reward our executives for strong performance in our business, which presents us with significant operational and regulatory challenges given our industry, and to incentivize them to continue to take actions to deliver strong results for our investors by growing our geographical footprint, expanding our relationships in the healthcare community, growing our patient services, and pursuing new market opportunities. At the same time, we believe that it is important to disincentivize unnecessary risk-taking. We design our executive compensation programs to attract talented executives to join the Company and to motivate them to position us for long-term success, achieve superior operating results and increase stockholder value. To realize these objectives, our compensation philosophy includes the following core elements:

- **Performance-Based:** A significant portion of executive compensation should be “at-risk,” performance-based pay linked to specific, measurable short-term and long-term goals that reward both organizational and individual performance;
- **Stockholder Aligned:** Incentives should be structured to create a strong alignment between executives and stockholders on both a short-term and long-term basis; and
- **Market Competitive:** Compensation levels and programs for executives, including our Named Executive Officers, should be competitive relative to the markets in which we operate and compete for talent. It is important to leverage an understanding of what constitutes competitive pay in our markets and build strategies to attract, incentivize, reward and retain top talent.

By incorporating these core design elements, we believe our executive compensation program is in line with and supportive of our stockholders’ objectives and effective in attracting, motivating and retaining the level of talent we need to successfully manage and grow our business.

Board of Directors Recommendation

THE BOARD OF DIRECTORS RECOMMENDS THAT STOCKHOLDERS VOTE “**FOR**” THE ADVISORY, NON-BINDING SAY ON PAY PROPOSAL, AS STATED BY THE FOLLOWING RESOLUTION:

“RESOLVED, that the Company’s stockholders approve, on an advisory basis, the compensation of the Named Executive Officers, as disclosed in the Company’s Proxy Statement for the 2024 Annual Meeting of Stockholders pursuant to the compensation disclosure rules of the Securities and Exchange Commission, including the Compensation Discussion and Analysis, the 2023 Summary Compensation Table, and the other related tables and disclosures.”

The say on pay vote is advisory, and therefore not binding on the Company, our Board of Directors or our Compensation Committee. Our Board of Directors and the Compensation Committee value the opinions of our stockholders and will consider the outcome of this vote in considering future compensation arrangements.

COMPENSATION DISCUSSION AND ANALYSIS

The following Compensation Discussion and Analysis (“CD&A”) describes our fiscal year 2023 executive compensation structure and philosophy. This CD&A is intended to be read in conjunction with the tables included in CD&A as well as the section titled, *Report of the Compensation Committee*, which provides detailed compensation information for the following executive officers, who we refer to as our “Named Executive Officers” or “NEOs”:

Our executive compensation structure consists of the following components:

- Non-equity Incentive Plan Compensation

Executive Compensation Objectives and Philosophy

Our executive compensation program is intended to attract and retain executive officers and to align the interests of our executive officers with those of our stockholders. The Compensation Committee’s objectives for our programs include, but are not limited to, the following:

- offer competitive total compensation opportunities, reflecting industry standards, and balance the need for talent with reasonable compensation expense;
- enhance stockholder value by focusing management on financial metrics that drive value;
- emphasize at-risk compensation versus fixed compensation;

- attract, motivate and retain executive talent willing to commit to long-term stockholder value creation; and
- discourage excessive risk taking.

The Compensation Committee determines the type and amount of compensation opportunity for our Named Executive Officers based on a thorough review of a variety of factors, including competitive market data, the officers' respective responsibilities and value to the Company, future leadership potential and individual/corporate/business performance. The following table outlines the elements of our executive pay programs and each element's relationship with our philosophy for NEO compensation:

Component	Purpose	Characteristic	Fixed or Performance-Based
Base Salary	Attracts and retains executives through market-based pay	Compensates executives fairly and competitively for their roles	Fixed

Long-Term Equity Incentives	Align executives' long-term compensation interests with stockholders' investment interests	Value to the executive is based on the passage of time, as well as company-specific annual performance	Fixed and Performance-Based
Benefit and Retirement Programs	Provide competitive benefits that promote employee health and productivity and support longer-term physical and fiscal security	Similar to benefits offered to other employees	Fixed

Compensation Decision Process

Role of the Compensation Committee

The Compensation Committee is responsible to our Board of Directors for oversight of our executive compensation programs. The Compensation Committee consists of independent directors and is responsible for the review and approval of all aspects of our compensation programs, including, without limitation:

- considering input from our stockholders;
- reviewing and assessing competitive market data;
- reviewing the chief executive officer's performance and determining the chief executive officer's compensation;
- reviewing and approving incentive plan goals, achievement levels, objectives and compensation recommendations for the NEOs and other executive officers;
- evaluating the competitiveness of each executive's total compensation package to ensure that we can attract and retain critical management talent; and
- approving any changes to the total compensation programs for the NEOs including, but not limited to, base salary, annual bonuses, long-term incentives and benefits programs.

Following review and discussion, the Compensation Committee or the Board, as applicable, approves the executive compensation of our executive officers. The Compensation Committee is supported in its work by our Chief Legal Officer, Chief Administrative Officer and the people services teams, as well as the Compensation Committee's independent compensation consultant.

Role of Management

Currently, our Chief Executive Officer makes pay recommendations for executive officers, other than himself, to the Compensation Committee based on competitive market data and an assessment of individual performance. Recommendations to the Compensation Committee help establish appropriate and market-competitive compensation opportunities for our NEOs, consistent with our overall pay philosophy. The Compensation Committee considers such recommendations, in conjunction with input from the Compensation Committee's independent compensation consultant, in making compensation decisions or recommendations to the full Board. No officer participates directly in the final deliberations or determinations regarding his or her own compensation package.

Role of the Independent Compensation Consultant

The Compensation Committee retained the services of Aon's Human Capital Solutions practice, a division of Aon plc ("Aon"), an independent compensation consultant for assistance in determining 2023 compensation levels. The Compensation Committee retains sole authority to hire or terminate any compensation consultant, approve its professional fees, determine the nature and scope of its services and evaluate its performance. The Compensation Committee makes all final decisions regarding executive compensation.

Role of Peer Companies and Competitive Market Data

The following criteria was considered for the development of a peer group for the 2023 compensation study. The 2023 compensation study was used to assist with total compensation levels for fiscal year 2023.

- Industry: companies similar to Aveanna, based on publicly traded healthcare companies in the Global Industry Classification System (GICS);
- Company size: Approximately one-third to three-times Aveanna's annual revenues, with a secondary focus on market capitalization;
- Reverse peers: Companies considering Aveanna a peer;
- Peers of peers: Companies used in the peer groups of potential peer companies; and
- Competitors: Companies that compete with Aveanna for business and management talent.

Utilizing the above criteria, Aon identified the following 14 peer companies for the 2023 compensation study:

- Acadia Healthcare Company, Inc.
- Addus HomeCare Corporation
- Amedisys, Inc.
- AMN Healthcare Services, Inc.
- Chemed Corporation
- Cross Country Healthcare, Inc.
- Enhabit, Inc.
- ModivCare Inc.
- National HealthCare Corporation
- Option Care Health, Inc.
- Periatrx Medical Group, Inc.
- RadNet, Inc.
- Surgery Partners, Inc.
- The Pennant Group, Inc.

The Compensation Committee used competitive compensation data from the 2023 total compensation study of peer companies to inform its decisions about overall compensation opportunities and specific compensation elements. The Compensation Committee does not benchmark specific compensation elements or total compensation to any specific percentile relative to the peer companies or the broader U.S. market. Instead, the Compensation Committee applies judgment and discretion in establishing targeted pay levels, taking into account not only competitive market data, but also factors such as the Company's overall and individual performance, scope of responsibility, critical needs and skill sets, leadership potential and succession planning.

Timing of Compensation Decisions

At its first annual meeting, the Compensation Committee makes compensation recommendations for our executives, including our Named Executive Officers. Recommendations include base salaries, whether previous year targets were met, prospective target performance levels and equity awards. The Committee also makes periodic compensation decisions for executives hired during the year.

2023 Compensation Elements

Base Salary

Base salaries are designed to recognize the competency, experience and performance an executive brings to the position. The Compensation Committee will recommend changes in base salary from time to time primarily based on a comparison to peer group market data, individual and Company performance, internal equity, value to the organization, promotions and the specific responsibilities compared to market. The Compensation Committee reviews base salaries for our executive officers annually. Set forth below are the respective base salaries for our Named Executive Officers, together with the percentage increases, if any, from the preceding fiscal year:

Name	Fiscal Year 2023 Base Salary	Change from Fiscal Year 2022
Jeff Shaner	\$550,000	0%
Shannon Drake	\$400,000	0%
Ed Reisz	\$400,000	0%

Annual Non-Equity Incentive Compensation

Our NEOs are eligible to earn annual non-equity incentive compensation based on fiscal year performance. The annual non-equity incentive compensation plan is designed to reward our executives for superior annual performance in key areas that we believe create long-term value for stockholders. For fiscal year 2023, the Compensation Committee approved the following primary performance metric for our executive team:

- Revenue (30% of target) and adjusted EBITDA (70% of target) before consideration of any results of operations contributed by any companies we acquired in 2023 ⁽¹⁾.

- (1) We believe revenue and adjusted EBITDA before consideration of any results of operations contributed by companies we acquired in 2023 is an important metric for measuring performance levels because it focuses on core operating results before any results contributed by acquisitions. Revenue is measured in accordance with U.S. generally accepted accounting principles (“GAAP”) and excludes the results of operations of any companies acquired in 2023. Adjusted EBITDA for these purposes is measured in accordance with the calculations of our Adjusted EBITDA as disclosed in Item 7, Management’s Discussion and Analysis of Financial Condition and Results of Operations, of our Annual Report on Form 10-K for the fiscal year ended December 30, 2023 and excludes the results of operations of any companies acquired in 2023.

Upon completion of the fiscal year, the Compensation Committee determines achievement levels versus the pre-approved performance targets. The Compensation Committee also performs a comprehensive review of the Company’s overall financial performance. When performance falls between an achievement threshold, target and maximum performance levels, earned amounts are interpolated on a straight-line basis between points to determine compensation. Performance achievement below the threshold level generally will result in a lower bonus amount, in the Compensation Committee’s discretion, or no bonus at all. The Compensation Committee retains discretion to make adjustments as needed to incorporate the results of its comprehensive review.

Target award opportunities: The following target non-equity incentive compensation (as a percentage of base salary) was approved for fiscal year 2023.

Name	Fiscal Year 2023 Target ⁽¹⁾ (% of Salary)	Change from Fiscal Year 2022
Jeff Shaner	100%	33.3%
Shannon Drake	60%	0%
Ed Reisz	60%	0%

⁽¹⁾ Participants may earn from 50% to 200% of target non-equity incentive compensation based on performance achievement between the threshold and maximum levels. Payout opportunities for performance between the threshold, target and maximum levels are interpolated on a straight-line basis. The threshold represents 50% of the target amount; the target level represents 100% of the target amount, and the maximum represents 200% of the target amount.

Based upon the Compensation Committee’s comprehensive review and evaluation of Aveanna’s performance in 2023 with respect to the aforementioned metrics, the following incentives were approved for fiscal year 2023:

Approved Fiscal Year 2023 Actual Non-equity Incentive Compensation			
Name	Fiscal Year 2023 Target Incentive (% of Salary)	Fiscal Year 2023 Actual Incentive Earned (% of Target)	Fiscal Year 2023 Actual Incentive Earned
Jeff Shaner	100%	100%	\$550,000
Shannon Drake	60%	100%	\$240,000
Ed Reisz	60%	100%	\$240,000

Long-Term Equity Incentive Plans

In addition to base salary and annual incentive compensation, each of our Named Executive Officers is provided long-term equity incentive compensation. The use of long-term equity incentives creates a link between executive compensation and our long-term performance, thereby creating alignment between executive and stockholder interests.

2021 Plan

We have adopted the 2021 Plan, which became effective on April 28, 2021, the day the registration statement filed in connection with our initial public offering became effective. On and after the 2021 Plan’s effectiveness, no new awards may be granted under our previous stock incentive plan (the “2017 Plan”). Shares of our common stock that are subject to awards that are forfeited and/or cancelled under the 2017 Plan on or after the 2021 Plan’s effectiveness shall be available to be issued as part of the 2021 Plan. The 2021 Plan is designed to provide the Board and the Compensation Committee with flexibility in terms of the types of awards that can be granted and the underlying terms and conditions of such awards. The material terms of the 2021 Plan are summarized below.

Share Reserve. The maximum aggregate number of shares of common stock that may be subject to awards under the 2021 Plan is 14,413,135 shares (the “Initial Share Pool”). The 2021 Plan contains an automatic share increase feature pursuant to which the 2021 Plan share pool will automatically increase, commencing on

January 1, 2022 and ending on and including January 1, 2031 in an amount equal to the lesser of (i) two percent (2%) of the number of outstanding shares on the last day of the immediately preceding fiscal year and (ii) such smaller number of shares as determined by the Board; provided that, the maximum number of shares that may be issued upon the exercise of incentive stock options shall equal the Initial Share Pool.

Administration. Unless the Board assumes authority for administration, the Compensation Committee administers the 2021 Plan, and the 2021 Plan provides that the Board or Compensation Committee may delegate its authority to grant awards to employees other than executive officers and certain senior executives of the company to a committee consisting of one or more members of our Board of Directors or one or more of our officers, other than awards made to individuals who are subject to Section 16 of the Exchange Act, or officers or directors to whom authority to grant or amend awards has been delegated hereunder, which must be approved by our full Board of Directors.

Eligibility. Incentive stock options (ISOs), nonqualified stock options, stock appreciation rights (SARs), restricted stock and all other stock-based and cash-based awards under the 2021 Plan may be granted to individuals who are then our officers, employees or consultants or are the officers, employees or consultants of certain of our subsidiaries. Such awards also may be granted to our directors. Only Aveanna employees may be granted ISOs.

Awards. The 2021 Plan provides that the administrator may grant or issue ISOs, nonqualified stock options, SARs, restricted stock, restricted stock units, other stock- or cash-based awards and dividend equivalents, or any combination thereof. Each award will be set forth in a separate agreement with the person receiving the award and will indicate the type, terms and conditions of the award.

Director Limit. The 2021 Plan provides that the sum of the grant date fair value of equity-based awards and the amount of any cash-based awards or other fees granted to a non-employee director during any calendar year shall not exceed \$750,000.

Change in Control. In the event of a change in control, each outstanding award will be treated as the Compensation Committee determines in its sole discretion and on such terms and conditions as the Compensation Committee deems appropriate including, without limitation, assumption or substitution of awards by the acquirer, termination of awards or cash-out of awards. In the event the acquirer does not assume or substitute awards granted, prior to the consummation of such transaction, awards issued under the 2021 Plan will be subject to accelerated vesting such that 100% of such awards will become vested and exercisable or payable, as applicable. The Compensation Committee may also make appropriate adjustments to awards under the 2021 Plan and is authorized to provide for the acceleration, cash-out, termination, assumption, substitution or conversion of such awards in the event of a change in control or certain other unusual or nonrecurring events or transactions.

Adjustments of Awards. In the event of any stock dividend or other distribution, stock split, forward stock split, reorganization, combination or exchange of shares, merger, consolidation, split-up, spin-off, recapitalization, repurchase or any other corporate event affecting the number of outstanding shares of our common stock, the administrator will make appropriate, proportionate adjustments pursuant to criteria set forth in the 2021 Plan.

Amendment and Termination. The administrator may terminate, amend or modify the 2021 Plan at any time and from time to time. However, we must generally obtain stockholder approval to the extent required by applicable law, rule or regulation (including any applicable stock exchange rule). No awards will be granted pursuant to the 2021 Plan after the earlier of the tenth anniversary of (i) the effective date of the 2021 Plan and (ii) the date the 2021 Plan was approved by the Company's stockholders.

Long-Term Incentives – Fiscal Year 2022 Grants

In the first quarter of 2022, the Compensation Committee, with the assistance of Aon, approved a new long-term incentive (“LTI”) structure for fiscal year 2022, which consists of 50% performance stock units and 50% time-based restricted stock units for all executive officers and some senior management groups, and 100% time-based restricted stock units for certain other senior management groups.

- Performance shares: weighted 50% on annual Adjusted EBITDA performance and 50% on three-year relative total shareholder return performance. Our relative total shareholder return will be compared to the healthcare services and healthcare facilities companies in the S&P Healthcare Services Select Index. Earned amounts become vested at the end of three years.
- Restricted stock units: vesting occurs on a cliff basis three years after the grant date.
- Certain other officers and personnel will be eligible to receive such RSUs.

Long-Term Incentives – Fiscal Year 2023 Grants

In the first quarter of fiscal year 2023, the Compensation Committee, with the assistance of Aon, approved a new long-term incentive (“LTI”) structure for fiscal year 2023, which currently consists of 50% performance stock units and 50% time-based restricted stock units for all executive officers and some senior management groups, and 100% time-based restricted stock units for certain other senior management groups.

- Performance shares: weighted on annual Adjusted EBITDA performance which can be met in any one-year period over the three years subsequent to the grant date.
- Restricted stock units: vesting occurs on a cliff basis three years after the grant date.
- Certain other officers and personnel will be eligible to receive such RSUs.

See “—Executive Compensation Objectives and Philosophy—Fiscal Year 2023 NEO Target Compensation Structure Summary—Long-Term Incentives” for further details on the LTI grants to our NEOs for fiscal year 2023.

Historical Stock Option Awards

Stock options held by our NEOs contain the following vesting terms: 50% based upon time vesting, and 50% based upon performance vesting. Time-based vesting occurs ratably over five years. Completion of the Company’s IPO in April 2021 resulted in the Company’s performance-vesting options becoming eligible to potentially vest, and such vesting is based upon the achievement of certain Aveanna share prices as set forth below in further detail.

Senior Management Retention Plan

In the second quarter of fiscal year 2023, the Compensation Committee approved a new senior management retention plan for certain field and corporate executives in response to the deterioration in the value of equity compensation resulting from the decline in the Company’s share price. The plan consists of 100% performance stock units, the number of which will be determined using the share price if the Company reaches certain revenue and adjusted EBITDA targets measured by four consecutive quarters prior to June 30, 2026. Performance stock units become vested at the time of issuance.

Compensation Risk Assessment

The Compensation Committee is responsible for overseeing the risks relating to compensation policies and practices affecting senior management on an ongoing basis. The Compensation Committee believes our

governance policies and compensation structure result in a compensation system that is not reasonably likely to lead to management decisions that would have a material adverse effect on the Company. We believe that the following features of our programs mitigate this risk:

- the Compensation Committee retained an independent compensation consultant, Aon, to assist with 2023 compensation decisions;
- the Compensation Committee approves the annual non-equity incentive compensation plan's financial goals at the start of the fiscal year, and approves the performance achievement level and final payments earned after the end of the fiscal year;
- the annual non-equity incentive compensation plan has capped potential payouts at 200% of the target opportunity to mitigate potential windfalls;
- we utilize a mix of cash and equity incentive programs, and all equity awards granted to our NEOs have multi-year vesting;
- we utilize competitive general and change-in-control severance programs to help ensure executives continue to work towards our stockholders' best interests in light of potential employment uncertainty; and
- executives are subject to minimum stock ownership guidelines and limitations on trading in our securities, including prohibitions on hedging and pledging.

Tax and Accounting Implications

Our Compensation Committee operates its compensation programs with the good faith intention of complying with Section 409A of the U.S. Internal Revenue Code of 1986, as amended (the "Code"), and considers the impact of tax and accounting treatment when determining executive compensation.

Our Compensation Committee also considers the accounting impact when structuring and approving awards. We account for equity-based payments with respect to our long-term equity incentive award programs in accordance with ASC Topic 718, Compensation—Stock Compensation ("ASC Topic 718"), which governs the appropriate accounting treatment of equity-based payments under GAAP.

Other Practices, Policies and Guidelines

We provide a comprehensive offering of benefit plans to our employees, including access to insurance for major medical, dental, vision, life, accidental death and dismemberment, short-term disability and long-term disability, as well as healthcare and flexible spending accounts, wellness programs and various other voluntary benefit programs. These benefit programs are generally available to all our eligible full and part time employees. We offer one plan, our Deferred Compensation Plan, as a "top hat" benefit plan solely for our senior executives.

401(k) Plan. We maintain a defined contribution plan that is tax-qualified under Section 401(k) of the Code. Our 401(k) Plan is offered on a nondiscriminatory basis to all full-time and part-time regular and temporary employees, except those executive officers eligible for the Deferred Compensation Plan, with no minimum hour requirement for participation. Subject to certain limitations imposed by the Code, the 401(k) Plan permits eligible employees to defer receipt of portions of their eligible compensation by making deferral contributions, including after-tax Roth and catch-up contributions.

Participating employees may contribute up to 100% of their eligible compensation, but not more than the statutory limits. Participants are eligible to receive the value of their vested account balance upon termination of employment. Participants are always 100% vested in their voluntary contributions. Vesting of matching contributions, if any, is subject to our vesting schedule at 20% per year for each full year of service during which an employee works 1,000 hours, or upon the attainment of normal retirement age of the participant.

Employer matching contributions to the 401(k) Plan are made in an amount equal to 50% of each participant's pre-tax contribution (up to a maximum of 5% of the participant's annual eligible compensation), subject to certain other limits. The Compensation Committee believes that matching contributions assist us in attracting and retaining talented employees and executives. The 401(k) Plan provides an opportunity for participants to save money for retirement on a tax-deferred basis and to achieve financial security, thereby promoting retention.

Deferred Compensation Plan. Effective January 1, 2023, we implemented a Deferred Compensation Plan (the "DC Plan") for certain of our executives. The DC Plan is a nonqualified retirement plan that covers select employees, including our named executive officers. The plan provides eligible employees the opportunity to defer compensation and is offered as an alternative to the Company's 401(k) plan. Participants in the DC Plan are not eligible to contribute to the 401(k) Plan.

Under the DC Plan, participants may contribute up to 50% of their base salaries and up to 50% of their annual bonus on a pre-tax basis. The DC Plan permits us to make matching contributions and discretionary contributions, as determined by the Compensation Committee. In 2023, we are providing matching contributions using the same formula as provided under the 401(k) Plan, in an amount equal to 50% of each participant's pre-tax contribution (up to a maximum of 5% of the participant's annual eligible compensation), subject to the annual compensation limit for qualified plans.

Participants become 20% vested in our matching contributions each year. Participants also generally become fully vested upon termination of employment due to their death, disability, or attainment of age 55 with five years of service, and upon a change in control of the Company. Additionally, in order to comply with Section 409A of the Internal Revenue Code, the DC Plan limits the timing of distributions and deferral elections. A participant is always 100% vested in his or her own contributions.

Contributions under the DC Plan are credited to a bookkeeping account for the participant. Each account is adjusted for earnings and losses based on the performance of investment options, principally mutual funds, the participant selects. Subject to the requirements of Section 409A of the Internal Revenue Code, distributions under the DC Plan are generally made in a lump sum or up to ten annual installments, as the participant elects, following termination of employment. All pre-tax contributions are unfunded and payable from our general assets, although we have set aside funds in a trust to help us pay those benefits. The assets in this trust are subject to the claims of our general creditors.

Employee Stock Purchase Plan. We maintain an Employee Stock Purchase Plan, which we refer to as our ESPP. The ESPP is designed to allow our eligible employees to purchase shares of our common stock with their accumulated payroll deductions at certain stated times during stated offering periods. The ESPP is intended to qualify under Section 423 of the Code. The material terms of the ESPP are summarized below.

ESPP Administration. Subject to the terms and conditions of the ESPP, the Board of Directors has delegated administration of the ESPP to the Compensation Committee. Our Compensation Committee has in turn delegated administrative tasks and limited decision-making authority under the ESPP to the Company's Retirement Committee, made up of senior officers, to assist in the administration of the ESPP. The Compensation Committee has final discretionary authority to administer and interpret the ESPP. Interpretations and constructions of the administrator of any provision of the ESPP or of any rights thereunder will be conclusive and binding on all persons. We bear all expenses and liabilities incurred by the Compensation Committee members and the other ESPP administrators in this capacity.

ESPP Share Reserve. The initial share reserve for grants under the ESPP was equal to 3% of the Company's outstanding common shares as of the ESPP's effective date (subject to customary anti-dilution adjustments). In addition, the ESPP includes an "evergreen" share replenishment feature whereby the total number of shares available for issuance under the ESPP will be increased on the first day of each fiscal year by

the least of (i) that number equal to 1% of the issued and outstanding shares of the Company as of the ESPP's effective date, (ii) 1% of the Company's outstanding common shares as of the last day of the prior fiscal year, or (iii) such lesser amount determined by Board.

ESPP Eligibility. All U.S. employees of the Company and its subsidiaries, who have more than 90 days of service as of an offering period, subject to certain limitations under Section 423 of the Code, are eligible to purchase shares of our common stock under our ESPP, subject to certain exceptions as set forth in the ESPP.

ESPP Participation. Employees enroll under the ESPP by completing an electronic payroll deduction permitting the deduction from their compensation of at least 1% of their compensation but not more than 15% (or such greater percentage as the Compensation Committee may establish from time to time before an offering date) of their compensation. However, a participant may not purchase more than 1500 shares per offering period as set forth in the ESPP and up to a fair market value of \$25,000 of Company shares per calendar year under all "employee stock purchase plans" of the Company, as determined in accordance with Section 423 of the Code. Shares purchased under the ESPP are subject to a 6 month lock up period.

ESPP Offering. Under the ESPP, participants are offered the option to purchase shares of our common stock at a discount during a series of successive offering periods, the duration and timing of which will be determined by the Compensation Committee. In fiscal year 2023, each offering shall be a consecutive six (6) month period unless otherwise determined by the Compensation Committee. However, in no event may an offering period be longer than 27 months in length.

ESPP Price. The option purchase price will be equal to 85% of the lesser of (i) the fair market value of a share of common stock of the Company on the first trading date of the applicable offering period and (ii) the fair market value of a Company share on the applicable purchase date.

ESPP Adjustments Upon Changes In Recapitalization, Dissolution, Liquidation, Merger or Asset Sale. In the event of reorganization, recapitalization, stock split, stock dividend, combination of shares, merger, consolidation, offerings of rights, or any other change in the structure of the common shares of the Company, the Compensation Committee shall make such adjustment, if any, as it may deem appropriate in the number, kind, and the price of shares available for purchase under the ESPP, subject to certain exceptions set forth in the ESPP.

ESPP Amendment and Termination. Our Board or the Compensation Committee may make certain amendments to the ESPP or suspend or terminate the ESPP at any time, subject to certain exceptions for which stockholder approval is required.

Stockholder Vote on Executive Compensation

Say-On-Pay

At the annual meeting of stockholders of the Company held on May 10, 2023, the Company's stockholders voted, on an advisory, non-binding basis, on the compensation paid to the Company's Named Executive Officers, otherwise referred to as "say on pay." The stockholders voted overwhelmingly to approve, on an advisory basis, the compensation of the Company's Named Executive Officers. The Company's Board of Directors considered the recommendations of the stockholders and determined that the Company would not make any material modifications to the compensation arrangements for the Named Executive Officers.

REPORT OF THE COMPENSATION COMMITTEE

This Report of the Compensation Committee does not constitute soliciting material, shall not be deemed filed under the Exchange Act and shall not be deemed incorporated by reference by any general statement incorporating by reference this Proxy Statement into any filing under the Securities Act of 1933 or the Exchange Act, except to the extent that we incorporate this Report of the Compensation Committee by specific reference.

- (1) Mr. Shaner served as Principal Executive Officer (“PEO”) for fiscal year 2023. Tony Strange served as the PEO for fiscal years 2022 and 2021, and Mr. Strange’s separation from employment with the Company was effective December 31, 2022.
- (2) SEC Rules require certain adjustments be made to the totals set forth in the Summary Compensation Table of this proxy statement and in the definitive proxy statement on Schedule 14A filed with the SEC on March 31, 2023 to determine “compensation actually paid” as reported in the Pay Versus Performance Table above. “Compensation actually paid” does not represent cash and/or equity value transferred to the applicable NEO without restriction, but rather is a value calculated under applicable SEC rules. Generally, “compensation actually paid” is calculated as Summary Compensation Table total compensation adjusted to include the fair market value of equity awards as of the applicable fiscal year end, or if earlier, the vesting date (rather than the grant date). NEOs do not participate in a defined benefit plan, so no adjustment for pension benefits is included in the table below. The following table details these adjustments:

- (3) Average total compensation of the Non-PEO NEOs as reported in the Summary Compensation Table of this proxy statement and in the definitive proxy statement on Schedule 14A filed with the SEC on March 31, 2023. The non-PEO NEOs for fiscal years 2021 and 2022 were Mr. Rodney Windley, Mr. Shaner, Mr. David Afshar and Mr. Drake, and the non-PEO NEOs for fiscal year 2023 were Mr. Reisz and Mr. Drake.

NAMED EXECUTIVE OFFICER EMPLOYMENT AGREEMENT PROVISIONS: POTENTIAL PAYMENTS UPON TERMINATION OR CHANGE IN CONTROL

We have entered into Employment Agreements with each of our Named Executive Officers. Each of the Employment Agreements has an initial three-year term of employment and automatically renews for additional one-year periods unless otherwise terminated by either of the parties to the Employment Agreement. The Employment Agreements provide that each executive is entitled to a minimum annual base salary (subject to annual review and increases for merit performance) and is entitled to participate in all incentive, savings, retirement and welfare benefit plans generally made available to our senior executive officers. Each of these executives has an opportunity to earn an annual non-equity incentive award based upon achievement of performance goals to be established by the Board of Directors. In addition, each of the executives is entitled to fringe benefits generally made available to our senior executive officers, and will be eligible, in the sole discretion of the Board of Directors, for equity grants under the 2021 Plan.

The Employment Agreements may be terminated by us at any time with or without "Cause" (as defined therein), or by the executive with or without "Good Reason" (as defined therein). The Employment Agreements also terminate automatically upon the voluntary termination, death or disability of the executive. Depending on the reason for the termination and when it occurs, the executive will be entitled to certain severance benefits, as described below.

Executive's Death, Disability, Voluntary Termination or Termination for Cause

If an executive is terminated for Cause, voluntarily resigns without Good Reason or is terminated due to death or Disability, the executive receives only the salary and vested benefits that have accrued through the date of termination. No other severance benefits are payable. Specifically, the executive will be entitled to (i) any base salary that has accrued but is unpaid, (ii) any annual bonus that has been earned for the calendar year preceding the calendar year in which termination occurs but is unpaid, (iii) a pro-rata portion of the executive's annual bonus for the calendar year in which the termination occurs based on actual results for such year, payable at the same time annual bonuses for such year are paid to other senior executives of the Company, (iv) any reimbursable expenses that have been incurred but are unreimbursed, (v) pay for any vacation days that have accrued under the Company's vacation policy but are unused, as of the end of the employment period, and (vi) any plan benefits that by their terms extend beyond termination of executive's employment (but only to the extent provided in any such benefit plan in which executive has participated as a Company employee).

Termination without Cause; Resignation for Good Reason

Under the Employment Agreements, if the executive is terminated without Cause or resigns for Good Reason, in addition to those sums the executive receives in the event of termination for death, Disability, Voluntary Termination, or Termination for Cause, the executive will also receive the following benefits:

- (a) payment of severance benefits equal to one (1) times the executive's base salary for the year in which the termination occurs;
- (b) an amount equal to the annual bonus which executive received for the year prior to the year in which the termination occurred; and
- (c) the continuation of health and welfare benefits for the COBRA-eligible period.

Restrictive Covenants

Each of the Employment Agreements contains confidentiality, non-disparagement, cooperation, non-compete and non-solicitation covenants that apply during the executive's employment with the Company and for a one-year period after the executive's termination of employment (or for a two-year period if the Company elects to extend the restricted period following the executive's termination). If the Company elects to

extend the restrictive covenants of the Employment Agreements through twenty-four (24) months following the executive's termination, the executive shall receive (a) severance benefits equal to two (2) times the executive's base salary at termination and (b) annual bonuses equal to two (2) times the annual bonuses which executive received for the year prior to the year in which the termination occurred.

Treatment of Equity Awards Upon the Executive's Termination, Death or Disability, or a Change of Control

Under the 2017 Plan, vested options generally remain exercisable for ninety days following the Named Executive Officer's termination for any reason, except (i) all options are forfeited upon a termination for Cause or breach of a restrictive covenant, and (ii) vested options remain exercisable for a period of twelve months following termination in the event of the Named Executive Officer's death or Disability (as defined in the 2017 Plan). Upon the death or Disability of a Named Executive Officer, pursuant to the 2017 Plan, the Named Executive Officer is entitled to the immediate vesting of an additional forty percent (40%) of their Time-Vesting Options (as defined in the 2017 Plan), provided that no more than one hundred (100%) of the Time-Vesting Options will vest as a result of this additional vesting. Any unvested options lapse on termination of employment.

There is no automatic acceleration of vesting of awards under the 2021 Plan upon a Named Executive Officer's termination, death, disability, or a change in control of the Company.

Separation Agreement with Shannon Drake

On January 17, 2024, we announced Mr. Drake would separate from employment with the Company, effective March 31, 2024 (the "Separation Date"). In connection with his separation from employment, on January 15, 2024, we entered into a separation agreement with Mr. Drake (the "Separation Agreement"). Under the Separation Agreement, Mr. Drake will receive, in addition to any accrued benefits under his existing employment agreement with us, the following severance benefits: (i) twelve months of continued base salary payments following the Separation Date payable in equal installments in accordance with the Company's regular payroll practices, (ii) a cash payment in the amount of \$240,000, representing Mr. Drake's annual bonus for fiscal year 2023, payable in the Spring of 2024 at the same time as annual bonuses are paid to other senior executives of the Company, (iii) a cash payment in the amount of \$240,000, together with a lump-sum cash bonus equal to Mr. Drake's pro-rated bonus for his period of employment in fiscal year 2024, (iii) the aggregate of which amounts will become payable in the Spring of 2025 at the same time as annual bonuses are paid to other senior executives of the Company, and (iv) up to twenty-four months of continued health and welfare benefits. Additionally, with respect to Mr. Drake's outstanding equity awards: (i) all options that were vested as of the Separation Date remained outstanding and exercisable until their original respective expiration dates; (ii) all options that were unvested as of the Separation Date remained outstanding and eligible to vest following the Separation Date in accordance with their respective terms, and, to the extent such unvested options become vested, they will remain exercisable until their original respective expiration dates; (iii) 50% of Mr. Drake's RSUs granted in calendar years 2021, 2022 and 2023 (a total of 186,676 RSUs) will continue to be eligible to vest in accordance with their respective terms, and all other remaining unvested RSUs were forfeited for no consideration on the Separation Date; and (iv) all of Mr. Drake's PSUs granted in calendar years 2022 and 2023 were forfeited on the Separation Date. Mr. Drake's entitlement to the foregoing severance and incentive equity treatment is conditioned on his continued compliance for twelve months following the Separation Date with certain restrictive covenant and other specified obligations set forth in the Separation Agreement, which include non-competition, non-solicitation, confidentiality and non-disparagement covenants. Additionally, under the Separation Agreement, Mr. Drake entered into a customary waiver and release of claims in favor of the Company.

CERTAIN RELATIONSHIPS AND RELATED PARTY TRANSACTIONS

Set forth below is a description of certain relationships and related person transactions between us or our subsidiaries and our directors, executive officers or holders of more than 5% of our outstanding capital stock. The summaries of certain provisions of our related party agreements are qualified in their entirety by reference to all of the provisions of such agreements.

Stockholders Agreement

On March 16, 2017, the Company and the Sponsor Affiliates entered into a stockholders' agreement (the "Original Stockholders Agreement") with respect to their respective investments in the Company, with other investors joining the Stockholders Agreement thereafter from time to time upon their investment in the Company (collectively with the Sponsor Affiliates, the "Investors"). In connection with the consummation of the initial public offering, we amended and restated the Original Stockholders Agreement (as amended and restated, the "A&R Stockholders Agreement").

Pursuant to the A&R Stockholders Agreement, each of the Sponsor Affiliates has the right to designate: (i) four of the Company's directors if such Sponsor Affiliate retains at least 50% of its percentage ownership in the Company as of the effective date of the A&R Stockholders Agreement ("Original Ownership Percentage"), (ii) three directors if it retains at least 25% but less than 50% of its Original Ownership Percentage (iii) two directors if it retains at least 10% but less than 25% of its Original Ownership Percentage and (iv) one director if it owns at least 3% of the issued and outstanding common stock on a fully diluted basis but less than 10% of its Original Ownership Percentage, in each case as of the date of determination.

In addition, under the A&R Stockholders Agreement, there are certain restrictions on the ability of the parties to the A&R Stockholders Agreement to sell shares of common stock of the Company. An Investor who is not a Sponsor Affiliate is only able to sell an amount of shares that would result in such Investor retaining a percentage of the shares of common stock it owned at the time of the closing of the initial public offering that is no greater than the percentage of shares that the Sponsor Affiliates have retained compared to the number of shares they owned at the time of such closing. Further, the Sponsor Affiliates appointed a coordination committee (the "Coordination Committee") in connection with the closing of the initial public offering. The Coordination Committee is initially composed of Robert M. Williams, Steven Rodgers, Christopher R. Gordon and Devin O'Reilly. During the first two years following the initial public offering, the Sponsor Affiliates are not able to transfer shares of the Company, other than pursuant to certain exceptions stated in the A&R Stockholders Agreement, without the approval of each member of the Coordination Committee.

Registration Rights Agreement

Concurrently with the Original Stockholders Agreement, we entered into a registration rights agreement (the "Original Registration Rights Agreement") with certain of the Investors. In connection with the consummation of the initial public offering, we amended and restated the Original Registration Rights Agreement (as so amended and restated, the "A&R Registration Rights Agreement"). Pursuant to the A&R Registration Rights Agreement, certain Sponsor Affiliates who hold more than 2% of registrable securities have the right to require us to file a registration statement with the SEC for the sale of our common stock, subject to certain exceptions. Such Sponsor Affiliates have the right to an unlimited number of such "demand" registrations, provided that any demand registration within the first two years following the initial public offering will require the consent of the Coordination Committee. The Company is obligated to use its reasonable best efforts to file a resale "shelf" registration with the SEC and to take steps to keep such resale shelf registration effective until the earlier of (i) the date on which all the registrable securities included in such "shelf" registration have been sold, (ii) the date as of which there are no longer in existence any registrable securities covered by the shelf registration and (iii) an earlier date agreed to in writing by the majority holders of the Sponsor Affiliates. The Company will also be required to facilitate "takedown" offerings from the shelf upon demand by the

Sponsor Affiliates. All holders of registrable securities party to the A&R Registration Rights Agreement are entitled to certain “piggyback” registration rights in subsequent offerings. Such holders are entitled to notice of a registered offering and to have their shares included on a *pro rata* basis. The A&R Registration Rights Agreement also provides that the Company will pay certain expenses of the holders party to the A&R Registration Rights Agreement relating to the registrations and indemnify them against certain liabilities which may arise under the Securities Act of 1933, as amended, and other federal or state securities laws.

Revenue Cycle Software Agreements

Certain of our subsidiaries are party to software agreements with ZirMed, Inc. d/b/a Waystar (“Waystar”), in which affiliates of Bain Capital, one of our Sponsors, held a controlling interest prior to October 2019 and currently hold a minority position. These agreements allow us to utilize certain Waystar software in the management of our business, including with respect to payment processing, patient claim management and patient denial and appeal management. For the fiscal year ended December 30, 2023, we paid Waystar approximately \$0.4 million pursuant to these contracts. We believe that the terms obtained and consideration received in connection with these agreements are comparable to terms available and the amounts we would have exchanged in an arm’s length transaction.

Director and Officer Indemnification and Insurance

Our Amended Bylaws provide indemnification for our directors and officers to the fullest extent permitted by the Delaware General Corporation Law, subject to certain limited exceptions. We have entered into separate indemnification agreements with each of our directors and executive officers. We have also purchased directors’ and officers’ liability insurance for each of our directors and executive officers.

Pursuant to Rule 14a-8 under the Exchange Act, our stockholders may present proper proposals for inclusion in our proxy statement and form of proxy and for consideration at the next annual meeting by submitting their proposals to us in a timely manner. Any stockholder of the Company who wishes to present a proposal for inclusion in the proxy statement and form of proxy for action at the 2025 annual meeting of stockholders (the “2025 Annual Meeting”) must comply with our Amended Bylaws and the rules and regulations of the SEC, each as then in effect. Such proposals must be mailed to us at our offices at 400 Interstate North Parkway SE, Atlanta, GA 30339, Attention: Secretary. Under the rules of the SEC, any stockholder proposal intended to be presented at the 2025 Annual Meeting must be received no later than December 2, 2024 in order to be considered for inclusion in our proxy statement and form of proxy relating to such meeting. Under our Amended Bylaws, a stockholder must follow certain procedures to nominate persons for election as directors or to introduce an item of business at an annual meeting of stockholders. In order to be timely, we must receive notice of your intention to introduce a nomination or propose an item of business at our 2025 Annual Meeting between close of business on January 16, 2025 and close of business on February 15, 2025, provided however, if and only if the 2025 Annual Meeting is not scheduled to be held between April 16, 2025 and July 25, 2025, such stockholder’s notice must be delivered to our Secretary no earlier than the close of business on the 120th day prior to such annual meeting and not later than the close of business on the later of (A) the 90th day prior to such annual meeting or (B) the 10th day following the day on which public announcement of the date of the 2025 Annual Meeting is first made by the Company. The advance notice of the nomination of persons for election as directors or to introduce an item of business at an annual meeting of stockholders must contain certain information specified in our Amended Bylaws, including information concerning the nominee or item of business and the stockholder proponent. The foregoing description is only a summary of the advance notice requirements of our Amended Bylaws; please refer to the full text of our Amended Bylaws for additional information. In addition, for stockholder nominees for directors to be considered timely for inclusion on a universal proxy card pursuant to Rule 14a-19 under the Exchange Act, stockholders must provide notice to us no later than March 17, 2025, containing the information required by Rule 14a-19 under the Exchange Act.

If a stockholder notifies us of an intent to present a proposal at the 2025 Annual Meeting at any time after February 15, 2025 (and for any reason the proposal is voted on at that meeting), it will be considered untimely and our proxy holders will have the right to exercise discretionary voting authority with respect to the proposal, if presented at the meeting, without including information regarding the proposal in our proxy materials.

Householding

We have adopted a procedure approved by the SEC called “householding.” Under this procedure, multiple stockholders who share the same last name and address will receive only one copy of the Notice or annual proxy materials and the 2023 Annual Report. If the household received a printed set of proxy materials and the 2023 Annual Report by mail, each stockholder will receive his or her own proxy card by mail. We have undertaken householding to reduce our printing costs and postage fees.

If you wish to opt out of householding and continue to receive multiple copies of the Notice or proxy materials and Annual Report at the same address or if you are receiving multiple copies of the Notice or proxy materials at the same address and wish to receive a single copy, you may do so at any time prior to thirty days before the mailing of the Notice or proxy materials, which typically are mailed in April of each year, by notifying us in writing at Aveanna Healthcare Holdings Inc., 400 Interstate North Parkway SE, Atlanta, GA 30339, atn Investor Relations, by phone at (770) 441-1580 or by e-mail at ir@aveanna.com. You also may request additional copies of the Notice or proxy materials and 2023 Annual Report by notifying us in writing or by telephone at the same addresses or telephone number, and we undertake to deliver such materials promptly.

Interest of Certain Persons in Matters to be Acted Upon

Other than for any interest arising from (i) the ownership of our common stock or (ii) any nominee's election to office, we are not aware of any substantial interest of any director, executive officer, nominee for election as a director or associate of any of the foregoing in any matter to be acted upon at the Meeting.

Other Matters to be Presented for Action at the Meeting

Management is not aware of any other matters to be presented for action at the Meeting. However, if any other matter is properly presented at the Meeting or any adjournment thereof, it is the intention of the persons named in the enclosed proxy to vote in accordance with their best judgment on such matter.
